This record was obtained to verify and prove Giuseppe Tenaglia was born on the 19th of July 1874 in Atessa to Agostino Tenaglia and Antonia Pellegrini. He went by the name 'Joseph' in the United States and it was after the discovery of his identity, which later led to the establishment of the hometown for the Tengalia from his naturalization paperwork. After the naturalization paperwork for Joseph was closely reviewed it led to finding a copy of his ship passenger list and on it he migrated to the U.S. with a sister 'Luisetta' born circa 1876-1877. They both planned to join their older brother Giovanni or John in Philadelphia.
